Feedback Analysis Report

(2020-2021)

Prepared by

Feedback Committee

==

The students are the most important stakeholders of Higher Education systems. The interest and participation of students at all levels in both internal quality assurance and external quality assurance plays a central role. We have collected online feedback from our UG and PG students.

Student's feedback for Teachers

The institute collects the feedback from students for teachers. The inputs from various students are analyzed and conveyed to the teacher by the respective heads of department. There is encouragement for positive feedback. The shortcomings are addressed enabling the teacher to work upon those areas for improvement.
