## Best Practice No. 2:

### Adapting to Adversity: Academic and Institutional Responsibilities during the COVID-19 Pandemic

**1. Title:** “Adapting to Adversity: Academic and Institutional Responsibilities during the COVID-19 Pandemic”

**2. Objectives:**

- To provide continuous educational support and social assistance to the local community during the pandemic.
- To ensure uninterrupted academic progress through online teaching, learning, and evaluation.
- To support the local community with essential services and raise awareness about COVID-19.
- To foster social responsibility and empathy among students through community engagement.

**3. The Context:** The COVID-19 pandemic presented significant challenges to both education and community welfare. ACS College, located in a remote rural area, faced difficulties in transitioning to online education and addressing the immediate needs of the local community. The college aimed to balance academic responsibilities with social commitments, ensuring that students continued their education while also supporting the community during the crisis.

**4. The Practice: a. Academic Initiatives:**

- **Online Education:** Implemented online teaching using platforms like Google Meet and Zoom, ensuring students had access to study materials through WhatsApp groups and e-content repositories.
- **Faculty Development:** Encouraged faculty participation in online development programs to enhance their digital teaching skills.
- **Student Engagement:** Organized online co-curricular and extracurricular activities, such as quizzes, debates, and webinars, to maintain student engagement.
- **Support Systems:** Provided counselling to students and parents on using online platforms and addressing grievances.

## b. Community Support:

- **Awareness Campaigns:** Conducted awareness campaigns about COVID-19, including the importance of hygiene practices like handwashing and mask-wearing.
- **Essential Services:** Distributed masks, bio-sanitizers, groceries, and medicines to needy families. Volunteers were trained in mask-making and bio-sanitizer preparation.
- **Blood Donation:** Organized blood donation camps to support local health facilities.

## 5. Evidence of Success:

- **Academic Success:** Students and faculty adapted to online learning platforms, ensuring continuous education. E-content generated and shared on digital platforms facilitated exam preparation and academic success.
- **Community Impact:** The college's efforts in providing essential services and raising awareness helped mitigate the pandemic's impact on the local community. Volunteers' support was recognized, with several being honoured as COVID-19 warriors.
- **Student Involvement:** Students developed a sense of social responsibility and empathy through their participation in community support activities.
- 10 students of our college were declared as part of Corona Yodhha Team.

## 6. Problems Encountered and Resources Required:

### Problems Encountered:

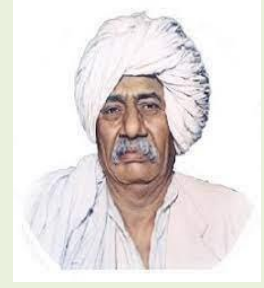

- **Academic:** Frequent power cuts, poor network connectivity, lack of smartphones, and unfamiliarity with ICT tools among students.
- **Community Support:** High health risks for volunteers, financial constraints, and logistical challenges in organizing community support activities.

### Resources Required:

- **For Academic Initiatives:** Advanced ICT tools, uninterrupted power supply, ICT training for students, and upgraded media centre facilities.
- **For Community Support:** Financial donations, materials for mask and sanitizer production, and logistical support for distributing essential services.

## Introduction

Pravara Rural Education Society was established in 1964 by Padmashri Dr. Vitthalrao Vikhe Patil. A visionary and social reformer, Dr. Vitthalrao Vikhe Patil is credited with founding Asia's first cooperative sugar factory at Pravaranagar. His efforts were pivotal in shaping the socio-economic landscape of the region. Dr. Vitthalrao Vikhe Patil understood the transformative power of education in rural development, recognizing its potential to eradicate illiteracy and empower women, thereby fostering a more equitable society.

Despite lacking formal education, Dr. Vitthalrao Vikhe Patil was a strong advocate for learning. He believed that education was the cornerstone of social and economic reform. His foresight led to the establishment of numerous educational institutions under the Pravara Rural Education Society. Starting with an English medium school, Pravara Public School and Pravara Kanya Vidyamandir, the society expanded its reach to include 40 Marathi schools in surrounding villages. These institutions aimed to provide quality education to children in rural areas, equipping them with the knowledge and skills needed to improve their lives and communities.

The seeds sown by Padmashri Dr. Vitthalrao Vikhe Patil grew into a vast educational network under the nurturing care of his son, Loknete Dr. Balasaheb Vikhe Patil, a Padma Bhushan Awardee. Dr. Balasaheb Vikhe Patil dedicated his life to furthering his father's vision, significantly expanding the scope and scale of the Pravara Rural Education Society. Today, the society encompasses a wide array of educational institutions, including technical colleges, senior colleges, English medium schools and Marathi medium schools. These institutions are engaged in the noble task of imparting knowledge to thousands of students.

Under the umbrella of the Pravara Rural Education Society, approximately 40,000 students are currently receiving education. These students benefit from a well-rounded curriculum that includes not only academic subjects but also extracurricular activities designed to promote holistic development. The society's commitment to quality education

has had a profound impact on the region, contributing to higher literacy rates and better socio-economic outcomes for the community.

Honorable Namdar Dr. Radhakrishna Vikhe Patil is expanding this extensive educational and social work initiated by his father and grandfather. Namdar Dr. Radhakrishna Vikhe Patil has been instrumental in advancing the vision of the Pravara Rural Education Society, ensuring that it remains a beacon of learning and social reform. His dedication to transforming politics into a true form of social service is evident in his actions and initiatives. During the COVID-19 pandemic, Namdar Dr. Radhakrishna Vikhe Patil's efforts, along with those of young leader Hon. MP Dr. Sujay Vikhe Patil, were commendable. Their work at both the national and state levels was acknowledged and appreciated by the Government of India and Maharashtra.

Hon. Rajendra Vikhe Patil also played a crucial role during the pandemic. Through the Pravara Medical Trust, he extended a helping hand to the underprivileged masses in the Pravara area and Ahmednagar district. The trust provided essential medical services and support to those affected by the pandemic, highlighting the society's commitment to serving the community in times of crisis.

Furthermore, Hon. Mrs. Shalinitai Vikhe Patil, through the Janseva Foundation, is working tirelessly towards women empowerment and providing familial support in the Ahmednagar district. The foundation focuses on initiatives aimed at improving the socio-economic status of women, enabling them to lead more independent and fulfilling lives. These efforts are in line with the society's broader goal of fostering an inclusive and equitable community.

The faculty, non-teaching staff and students of the Pravara Rural Education Society have also demonstrated a strong sense of social responsibility. During the COVID-19 pandemic, they actively participated in serving and assisting the people in the Satral region. Their efforts included distributing essential supplies, raising awareness about health and safety measures and providing support to those in need. This collective action underscores the society's commitment to community service and the well-being of its members.

The Pravara Rural Education Society's legacy is built on a foundation of vision, dedication, and service. The society continues to uphold the values instilled by its founders, striving to make education accessible and impactful for all. By focusing on quality education, community service, and social reform, the society plays a vital role in shaping the future of the region.

Through its various institutions, the society offers a range of educational programs designed to meet the diverse needs of students. Technical colleges provide specialized training in fields such as engineering, technology, and healthcare, preparing students for careers in high-demand industries. Senior colleges offer undergraduate and postgraduate courses in arts, science, and commerce, fostering academic excellence and critical thinking. English medium schools emphasize proficiency in the English language, opening up global opportunities for students. Marathi medium schools ensure that education is accessible to all, preserving local culture and traditions.

The society's emphasis on holistic education extends beyond the classroom. Extracurricular activities, including sports, arts, and cultural events, are integral to the student experience. These activities promote teamwork, creativity, and leadership skills, essential for personal and professional development. The society also encourages community engagement, instilling a sense of social responsibility in students from a young age.

The Pravara Rural Education Society stands as a testament to the vision and dedication of its founders, Padmashri Dr. Vitthalrao Vikhe Patil and Loknete Dr. Balasaheb Vikhe Patil. Their legacy is carried forward by Honorable Namdar Shri Radhakrishna Vikhe Patil, Hon. Rajendra Vikhe Patil, Hon. MP Dr. Sujay Vikhe Patil, and Hon. Mrs. Shalinitai Vikhe Patil, who continue to champion the cause of education and social reform. The society's unwavering commitment to quality education, community service, and holistic development has had a lasting impact on the region, transforming countless lives and contributing to a brighter future for all.

## Permission Letter

To,  
The Principal  
Arts, Commerce & Science College, Satral  
Tal- Rahuri, Dist- Ahmednagar

Subject: Request for Permission to Organize a Community Support Program during COVID-19

Respected Madam,

letter finds you in good health and high spirits. I am writing to seek your kind permission to organize a community support program at our college to assist those affected by the ongoing COVID-19 pandemic.

The COVID-19 pandemic has significantly impacted our community, leading to health, economic, and social challenges. Recognizing the need for collective effort during these difficult times, I propose organizing a support program aimed at providing essential services such as:

Distribution of Food and Essentials: Providing groceries and hygiene kits to families in need.

Health Awareness Campaigns: Educating the community about COVID-19 prevention, vaccination, and health guidelines.

Online Educational Support: Assisting students with online learning resources and tutoring.

The proposed program will strictly adhere to all health and safety guidelines, including social distancing, wearing masks, and frequent sanitization to ensure the safety of all participants and volunteers. I believe that our college involvement in this initiative will not only support those in need but also foster a sense of solidarity and community spirit among students, staff, and the broader community.

I kindly request your permission and support to proceed with organizing this program. Additionally, I would be grateful for any suggestions or guidance you may have to ensure the success of this initiative.

Thank you for considering my request. I look forward to your positive response.

Yours sincerely,

Mr. R. S. Bhadakwad  
Coordinator

## Contributions during the Pandemic

### Medical Equipment Aid to Pravara COVID Care Centre

Teaching and non-teaching staff of the Arts, Commerce, and Science College, Satral, part of the Loknete Dr. Balasaheb Vikhe Patil (Padma Bhushan Awardee) Pravara Rural Education Society, made a significant contribution to the Pravara COVID Care Center, in Loni. They donated medical equipment worth Rs. 56,404, which included monitor stands and bedside screens. This generous donation played a crucial role in enhancing the care center's capacity to treat COVID-19 patients. Their efforts exemplify the institute's commitment to community service and its proactive response to the pandemic, ensuring better healthcare support for the affected individuals. This act of solidarity and compassion underscores the vital role of educational institutions in supporting public health initiatives.

Medical Equipment Handover to Pravara COVID Center

## Awareness Campaign in Satral Region

During the pandemic, the college developed and prominently exhibited awareness boards focusing on COVID-19 precautions within the Satral area. Guided by the principal, vice principal and NSS program officer, students actively engaged in diverse initiatives aimed at cultivating a strong sense of community responsibility. These efforts encompassed activities such as organizing informational campaigns, promoting safe practices among peers and encouraging volunteerism to support vulnerable groups. Through these collective actions, the college not only aimed to raise awareness about health precautions but also fostered a spirit of unity and civic duty among its student body. The collaborative leadership of the college administration and the proactive involvement of students were pivotal in ensuring that the community responded effectively to the challenges posed by the pandemic, emphasizing the importance of collective responsibility in times of crisis.

COVID Awareness Flex display in Satral, Songaon and Dhanore Village

## Mask Making and Distribution

NSS program officers Mr. R.S. Bhadakwad and Mr. Prashant Harale organized a mask-making initiative, resulting in 200 masks distributed to students, faculty and non-teaching staff by the principal. Additionally, NSS volunteers participated by making masks themselves and distributed them to the families they adopted for awareness and support during the pandemic.

NSS volunteers make Masks and distribute them among adopted families

## Biological Sanitizer Production and Distribution

Students applied scientific methodologies to develop biological sanitizers, which were then distributed to the families they had adopted. Alongside distributing the sanitizers, they conducted comprehensive awareness campaigns to educate these families about proper hygiene practices and the importance of using sanitizers effectively. This initiative not only aimed to provide practical solutions but also emphasized the role of education in promoting community health and safety during challenging times like the pandemic.

NSS volunteers make pravara sanitizer distribute them among adopted families

## Awareness Posters

NSS volunteers from Arts, Commerce and Science College Satral took proactive steps by creating informative posters to address and dispel misconceptions and fears about COVID-19 prevalent in their villages. These dedicated volunteers utilized their creative skills to communicate crucial information effectively, aiming to educate and reassure community members. Through these efforts, they sought to promote awareness and encourage responsible behaviour amidst the pandemic, fostering a sense of unity and resilience within their localities. Their initiative not only contributed to public health awareness but also exemplified the spirit of community service and solidarity during challenging times.

COVID-19 Awareness among adopted families

## Helping Food Donation during the Pandemic

Under the initiative of Hon. Dr. Radhakrishna Vikhe Patil and Hon. Dr. Sujaydada Vikhe Patil (Member of Parliament), students from Arts, Commerce and Science College, Satral enthusiastically participated in food donation drives during the challenging pandemic period of COVID-19. Motivated by their leaders' call to serve the community, these students selflessly collected and distributed essential food supplies to those in need across their villages. Their efforts not only provided immediate relief to the disadvantaged but also showcased solidarity and compassion in times of crisis. This collaborative endeavour underscored the importance of collective action and civic responsibility, reflecting a unified commitment to supporting vulnerable population during unprecedented times.

NSS volunteer helps in food distribution drives during the challenging pandemic period of COVID-19

In response to the critical blood shortage exacerbated by the pandemic, the college collaborated with Pravara Medical Trust to organize a joint blood donation camp. Led by the initiative of Hon. Dr. Radhakrishna Vikhe Patil and Hon. Dr. Sujaydada Vikhe Patil (Member of Parliament), students and community members came together to donate blood, contributing a total of 57 units. This collective effort was a testament to the community's resilience and commitment to supporting healthcare needs amidst challenging circumstances.

The blood donation camp not only addressed immediate shortages but also raised awareness about the ongoing need for blood donations. It emphasized the importance of solidarity and civic duty, inspiring others to contribute to the well-being of fellow citizens. By fostering a culture of giving and compassion, the initiative highlighted the impactful role that collaborative efforts can play in strengthening community health infrastructure during crisis.

As a social responsibility NSS unit organize a Blood donation camp in COVID pandemic

## Honouring COVID-19 Warriors

On March 8, 2021, Arts, Commerce and Science College, Satral organized a heartfelt tribute to recognize the invaluable contributions of female health workers and Anganwadi workers from Satral as COVID-19 warriors. These dedicated individuals were celebrated for their unwavering commitment and selfless service in the face of the pandemic's challenges. The event not only acknowledged their tireless efforts in healthcare and community support but also highlighted the resilience and dedication essential to combating COVID-19. Through this gesture of appreciation, the college underscored the importance of honouring frontline workers who have played a crucial role in safeguarding public health and wellbeing during these unprecedented times.

Felicitation of *Anganwadi sevika* and *Asha* worker for his great work in COVID pandemic

## Supporting COVID-19 Affected Individuals

Ten volunteers joined the Young Inspirators Network (YIN) to assist COVID-19 patients and their families with hospital bed availability, Remdesivir availability and other support.

### 10 NSS volunteer work as an Assist COVID-19

मास्तर म्हणून काम केला. सात्रळ महाविद्यालयाच्या

## सात्रळच्या डॉ. विश्वे महाविद्यालयाच्या विद्यार्थ्यांनी केले मास्कचे वाटप

**सात्रळ (वार्ताहर) -**  
 महाराष्ट्रात वाढत चाललेला कोरोनाचा प्रादुर्भाव रोखण्यासाठी केंद्र व राज्य सरकार काम करीत असून यामध्ये लोकनेते पद्मभूषण डॉ. बाळासाहेब विश्वे पाटील प्रबरा ग्रामीण शिक्षण संस्थेचे कला, वाणिज्य व विज्ञान महाविद्यालय, सात्रळ येथील राष्ट्रीय सेवा योजनेच्या स्वयंसेवकांनी सामाजिक कर्तव्य या नात्याने स्वतः मास्क तयार करून दत्तक कुटुंबांना मास्कचे वाटप केले.  
 सावित्रीबाई फुले पुणे विद्यापीठ कोरोना आपत्ती व्यवस्थापन कक्षा अंतर्गत केलेल्या सूचनेनुसार महाविद्यालयातील राष्ट्रीय सेवा योजनेच्या स्वयंसेवकांनी

सामाजिक जाणीव जपत कोरोना विषाणूचा प्रादुर्भाव रोखण्यासाठी आपण राहतो, त्या परिसरातील प्रत्येकी १० कुटुंब दत्तक घेऊन त्यांच्यामध्ये कोरोनाविषयक जनजागृती, सर्वेक्षण करून त्या कुटुंबांना स्वतः मास्क तयार करून वाटप केले. या कामासाठी महाविद्यालयाच्या प्राचार्या जयश्री सिनगर, उपप्राचार्य प्रा. डी. एन. घोलप, रा.से.यो. समन्वयक प्रा. आर. एस. भडकवाड, प्रा. पी. एल. हराळे, प्रा. वैभव दिचे, सर्व कार्यक्रम अधिकारी, सर्व स्वयंसेवक परिश्रम घेत आहेत. या सामाजिक उपक्रमामुळे विद्यार्थ्यांचे महाविद्यालय व्यवस्थापन समितीकडून कौतुक होत आहे.
