

## SPECIFIC FACILITIES PROVIDED FOR WOMEN

The college has made significant efforts to promote gender equity during the academic year 2023-24. The Women Empowerment Cell, along with the Principal and Vice-Principal, consistently works to avoid gender discrimination on campus. The administration is highly sensitive to gender issues and prioritizes the safety of female students and staff. The Women Empowerment Cell provides personal, academic, and social counseling to female students, and teachers actively participate in addressing their concerns. The cell also organizes special lectures on topics relevant to the needs of women. Under its guidance, numerous activities are conducted to foster gender sensitivity on campus.

The institution has ensured the availability of adequate facilities for women, such as:

- **Round-the-clock security** for the safety of female students.
- **Female security personnel** on campus.
- **CCTV surveillance** throughout the campus.
- **Common rooms** equipped with essential facilities like first aid kits, toilets, cribs, beds, mirrors, chairs, tables, washbasins and dustbins.
- **Separate washrooms** and drinking water supply.
- **Vending machines** in girls' washrooms.
- **Separate parking facilities** for women.
- Support from the **Anti-Ragging Committee** and **Grievance Office** to help female students resolve any grievances.
- A **mentoring system** that places special focus on female students, with mentors regularly communicating with their parents.
- A **lady teacher** accompanying female students during NSS camps, field trips, excursions, and other extracurricular activities.

The college is committed to creating a safe, inclusive and supportive environment, ensuring that female students and staff feel empowered and valued on campus.
