

Policies for maintaining and utilizing Physical, academic and support facilities

College has established systems and procedures for maintaining and utilizing Physical, Academic and support facilities. College has regular maintenance and periodic replenishment of essential facilities.

For the effective college functioning, the policies and procedures for maintaining utilization of physical, academic and support facilities have been designed.

Systems for Maintenance and Utilization:

- The overall planning and development of institute is monitored by College Development Committee (CDC) and PRES Loni.
- Establishment of institute level repair and maintenance committee is chaired by the Principal.
- The allocation of budget for the maintenance and utilization of physical, academic and support.
- Every year separate budget is allocated for Library and Laboratories.
- The Institution plans and ensures the optimal use of available infrastructure.
- The stock of physical facilities and academic support facilities are recorded by a separate committee formed by Pravara Rural Education Society (PRES) Loni.
- Requirement of the department regarding new purchase and maintenance of old equipments is collected and forwarded to PRES Loni for budget allocation.
- A periodical review of repair, maintenance and requirements is taken from respective head of the department under the guidance of the Principal.
- Principal and College Development Committee (CDC) scrutinize the urgency, necessity of the requirement and forwarded to the PRES for approval.
