1. International Yoga Day:

International Yoga Day was celebrated on June 21, 2022. The Yoga training program was held in the Seminar Hall. The Yoga Day training was very important for college teachers. It wasn't just about staying fit; it was like a power-up for their minds and emotions. Imagine dealing with lots of stress from work every day. This program was like a safe space where they could chill out, feel more excited, and take more responsibility. It gave them ways to handle stress better and feel more confident. This wasn't just good for them—it made them better at helping and teaching students. This program also helped the staff to reduce their stress, inhibitions and other habits. The training program began at 7:30 a.m. on Monday, June 21, 2022.
