SPECIFIC FACILITIES PROVIDED FOR WOMEN

The college has made adequate efforts to promote gender equity in the academic year 2022-23. The Women Empowerment Cell, Principal and the Vice-Principal are constantly paying attention to avoid gender discrimination on campus, but the administration is very sensitive to gender issues and always pays attention to the safety of female students and staff on campus. The Women Empowerment Cell provides personal, academic, and social counseling to female students. Teachers participate in counseling the girls regarding their problems and organize special lectures on topics relevant to them. Under the guidance of the Women Empowerment Cell, many activities are organized to promote gender sensitivity on campus. The institution has adequate facilities for women such as:

- Round-the-clock security for the safety of girls
- Female security personnel
- CCTV surveillance on the campus
- Common rooms with necessary facilities like first aid kit, toilet, cribs, beds, mirrors, chairs, tables, wash basins and dustbins
- Separate washroom and drinking water supply
- Vending machine
- Separate parking facilities
- Separate queue at the fee counter and other counters in the office
- Separate girls' section and issue desk in the library.
- The Anti-Ragging Committee and the Grievance Office support female students and help them resolve their grievances, if any
- The college has a mentoring system that pays more attention to the female students
- The mentors are in regular contact with the parents of the female students
- A permanent teacher accompanies the female students in NSS camps, field trips, excursions and other extracurricular activities.
