E-GOVERNANCE POLICY

Prepared by

Internal Quality Assurance Cell

E-Governance Policy

Preamble:

The e-governance of the institute envisages with the sole vision of enhancing the system of governance for development of the institute by leveraging new and cutting edge technologies. The broad areas of e-governance are in the area of examinations, admissions, day to day operations of departments, academics, placement, Management Information Systems (MIS) and stakeholder's inclusion in a hierarchical way. It aims at planning and facilitating any infrastructure for the deployment of cutting edge applications and deployment of solutions for seamless administration of the institute.

Vision and Mission

Vision: Providing quality education in emerging fields to produce knowledgeable and cultured human resource, contributing to the process of national development.

Mission: Upliftment of rural masses through appropriate education. To empower the socially, economically and educationally marginalized sections of the rural society of the region. To augment a new generation of students for contributing to the future knowledge economy.

Our Motto: The precise and artistic emblem of the college symbolizes the philosophy and objectives of our college.

“**Light the Light Within**” which means “One should raise oneself with the help of self.” It means that the soul only can uplift itself. There is no external agency which can help the soul in its liberation. Man can, with his spiritual efforts, transcend the senses, the mind, the intellect and the vital. Just as no one can help the soul except himself, we want the students to realize that they only can bring about their intellectual, physical, cultural and finally spiritual development. They should not depend upon anyone else for it. Such strong students will only build civilized and strong nation. The book in logo symbolizes the support of knowledge represents Arts faculty. The transaction symbolizes the Commerce faculty. The rocket and the burette stand for the Science faculty. Computer symbolizes new emerging technology. Sugarcane symbolizes the clean, healthy and pollution free and eco-friendly atmosphere in college.

E-governance in following areas

For convenience purposes, the policy is divided into various areas of operation. These areas of operation are illustrative and the society reserves the right to implement e-governance even in the areas not enlisted herewith.

Website and Social Media

The website of the college to be continuously updated taking into account the new changes. The website should act as a mirror of the college activities and information about all activities, important notices etc. should be made easily available. Website is hosted and deployed by a third party on a secure platform. Along with it, training should be given to the existing staff and persons should be identified who will undertake the responsibility of website administration and updating at the college level. Important information and achievements will be posted in the Social Media.

Academics

Institution to manage student academics using a suitable MIS with real time communication to

parents with respect to student progress.

Internal and External Examinations

As per the directions of the Savitribai Phule Pune University, Pune it is mandatory to handle examination in online manner. Filling of applications such as examination, revaluation, photocopy and obtaining hall tickets, receiving of question papers, uploading of marks etc. everything has to be done in online manner. Utmost secrecy and confidentiality needs to be maintained while handling examinations and work needs to be done with care and caution. Examination coordinator needs to supervise the entire process of examination under the guidance of the Principal. Regular updates of students internal performance to be maintained and communicated to the parents.

Communication

The students would be regularly updated about exam updates and other academic information.

Finance and Accounts

For ease of maintaining accounts and finance, suitable accounting and finance software package to be implemented.

Library

Library system with respect to issue, reference to be automated and staff and students to access the library resource, in and outside the campus. Access to e-journals and e-resources to be provided.

Payments

Stakeholders to make payments using online banking, Debit/ Credit Card and UPI Platforms.

Placement

The Training and Placement Cell shall facilitate and maintain the connection between employers and students, ensuring seamless access for placement opportunities.
