**Report of 'Vachan Prerana Din'**

**Objectives of the Programme:**

1. To create awareness about the life and deeds of APJ Kalam among the students and stakeholders.
2. To remember APJ Kalam and understand the significance of his reading habits.

On October 15, 2019, at 10:30 AM, the Central Library of Arts, Commerce, and Science College, Satral, celebrated Reading Inspiration Day in the Seminar Hall. The event, known as "Vachan Prerna Din," was organised in honour of Dr. APJ Abdul Kalam's birth anniversary. Dr. Mahendra Aher, General Secretary of the Pravara Recreation Club, was the keynote speaker, and Mrs. Jayashree Singar, Acting Principal, chaired the program. The celebration featured a book exhibition, lectures, and other activities. Librarian Dr. Anil Pawar explained the significance of "Vachan Prerna Din." The dignitaries garlanded a portrait of Dr. Kalam, and Dr. Aher highlighted the importance of reading and distributed motivational books to students. Mrs. Singar recounted Dr. Kalam's biography, noting his Bharat Ratna award and the role of reading in his life. The program concluded with a vote of thanks from Dr. Pawar. Students, teaching staff, and non-teaching staff attended the event.

**A Report on COVID-19 General Awareness Quiz Competition**  
**Organized by Department of Botany**  
**Under the guidance of Internal Quality Assurance Cell (IQAC)**  
**on**  
**10<sup>th</sup> September 2020**

The Corona virus disease (COVID-19) is one of the transmittable diseases caused by SARS-CoV-2 virus. Majority of people infected with this virus experiences mild to moderate respiratory illness. They may recover without special treatment. On the other hand, some of them become seriously ill and need medical care. Old age people and people suffering from cardiovascular diseases, severe diabetes, chronic respiratory disease, or cancer are more likely to develop serious illness. Any individual can get sick with COVID-19 and become seriously ill or may die at any age.

The best way to prevent and slow down transmission of COVID-19 is to be well informed about this disease. One should know that, how the virus spreads. One should protect himself and others from infection by staying at least 6 feet apart from others, wearing a properly fitted mask and washing hands frequently or using alcohol-based sanitizer frequently. Getting vaccinated against COVID-19 and following local guidance is essential during the period of pandemic. The virus may spread from an infected person when they cough, sneeze, speak or breathe. These particles range from larger respiratory droplets to smaller aerosols. It is important to practice respiratory etiquettes.

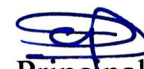

With this background state level quiz competition for awareness on COVID-19 was organized by the Department of Botany under the guidance of Internal Quality Assurance Cell of the Arts, Commerce and Science College, Satral from 24<sup>th</sup> April 2020 to 10<sup>th</sup> September 2020. The main purpose behind organizing this quiz was to make general awareness among the students and faculty members on COVID-19. The quiz was held by using Google form. The participants of the quiz were students and faculty members of different colleges across the state of Maharashtra. In all 996 individuals took part in this quiz. In all 50 Multiple Choice Questions (MCQ's) were asked to the individuals.

Organizers are thankful to the Hon'ble Principal, respected vice-principals and all the individuals who have participated in the quiz.

**Report on Maxima Software Guest Lecture**

Date: 29<sup>th</sup> February 2020

Time: 10:00 a.m.

Venue: English Language Lab,  
Arts, Commerce, and Science College,  
Satral.

On 29<sup>th</sup> February 2020, a guest lecture on Maxima software was held at the English Language Lab. The lecture was conducted by Mr. P. S. Momale, from the Department of Mathematics at Padmashri Vikhe Patil College of Arts, Science, and Commerce, Pravaranagar, who is an expert in the field. The purpose of the lecture was to introduce students to the various applications of Maxima software. 34 students were participated in the lecture.

Mr. Momale began the lecture by providing an overview of Maxima software and its significance in various fields such as Mathematics, Engineering, and Science. He demonstrated the practical applications of Maxima through interactive examples, showcasing its capabilities in symbolic computation, algebraic manipulation, and solving mathematical equations.

Throughout the lecture, Mr. Momale engaged the audience with his insightful explanations and demonstrations. He encouraged active participation and addressed any queries raised by the students, ensuring a comprehensive understanding of the topic.

The lecture concluded with a Q&A session, where students had the opportunity to further clarify their doubts and gain additional insights into Maxima software. The lecture was informative and inspiring. It provided students with valuable knowledge about the software and its potential applications in their academic pursuits.

We extend our sincere gratitude to Mr. Momale for sharing his expertise with us and to all the students who actively participated in the event.
