Respected Sir,/Madam

Greetings from Rubicon!

It is my pleasure to introduce **Rubicon**; **Rubicon** was conceived with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies, which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing their curiosity and intrinsic motivation for learning.

Rubicon's "Lifeskills" Program, supported by Barclays aims at improving the employability skills of the youth. This initiative is supported by Barclays. Under this program, students will be trained by Corporate Trainers to enhance their Life skills which would help them significantly to increase their chance of succeeding in a job interview. This program is being launched with limited no of colleges in India.

We are looking forward to partner with your institute and plan to run the below initiatives:

1. **24 hrs. classroom training on Interview Skills (Details mentioned below).** Due to lockdown this is divided into two parts – 18 hours virtual and 6 hours classroom training. 18 hours of virtual training will be delivered by a Corporate Trainer using Zoom/Webex as a platform – training will be conducted 2 hours per day for 9 days. 6 hours of face to face training will be done once the lockdown is lifted and before the campus placement starts.
2. **Industry visit of students to various organizations.**
3. **Post Placement Mentoring and Career Counselling support to placed students for one year.**

In Life Skills training, we will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. E-mail Etiquette
5. Grooming

A Report on
SOFT SKILL TRAINING PROGRAMME

The Soft Skill Training Programme, organised by the English Department, aimed to enhance students' non-technical skills essential for personal and professional development. The program spanned from August 20th to September 29th, 2018. Mr. Somnath Borude and Mr. Srikant Susar from English Department facilitated the sessions. The training covered various soft skills, including communication, teamwork, time management, and problem-solving. Sessions were interactive, combining lectures, group discussions, and practical exercises. Prof. Suryakant Gadkari from Rahuri College was also invited to conduct a session.

Participants developed effective communication skills through role-plays and presentations. Collaborative activities fostered teamwork and leadership qualities. Strategies for managing time efficiently were imparted, aiding in academic and personal tasks. Practical scenarios were presented to enhance problem-solving abilities among students. Participants appreciated the engaging sessions and found them beneficial for their overall growth. Many students expressed interest in further soft skill training sessions.

The Soft Skill Training Programme conducted by the English Department proved instrumental in equipping students with vital skills beyond academics. Such initiatives contribute significantly to students' holistic development.

A REPORT OF INTERNATIONAL YOGA DAY

On June 21, 2019, Pravara Rural Education Society's Arts, Commerce & Science College, Satral, celebrated International Yoga Day with great enthusiasm and active participation from both students and staff. Orchestrated by Mr. S. L. Anap, the Physical Director, the event aimed to highlight the importance of yoga in enhancing physical and mental well-being. The event began at 8:00 AM, drawing a diverse group of attendees, including the Principal, Dr. S. N. Shingote, Vice Principal, Ms. Jyashree Singar, as well as numerous students and faculty members. The tranquil morning atmosphere provided an ideal setting for the yoga session. Ms. Jyashree Singar inaugurated the event with a brief speech, emphasizing the importance of yoga in daily life. She highlighted yoga's role in reducing stress, improving concentration, and fostering a balanced lifestyle.

Mr. Anap commenced the session with a series of warm-up exercises to prepare participants for the yoga postures. The session included various asanas (postures), pranayama (breathing exercises), and meditation techniques. Mr. Anap provided detailed instructions and demonstrated each posture, ensuring that participants could follow along accurately. Special emphasis was placed on asanas such as Tadasana (Mountain Pose), Vrikshasana (Tree Pose), and Bhujangasana (Cobra Pose), which are beneficial for improving flexibility, balance, and strength. Following the asanas, a short meditation session focused on mindfulness and deep relaxation. Mr. Anap guided participants through a series of breathing techniques aimed at calming the mind and reducing anxiety.

Towards the end of the session, an interactive segment allowed participants to ask questions and share their experiences. This segment was particularly engaging, fostering a sense of community and shared learning. Mr. D. N. Gholap delivered the closing remarks, praising the

participants' enthusiasm and reiterating the benefits of incorporating yoga into daily routines. She also expressed gratitude to Mr. S. L. Anap for conducting an enriching and informative session. The celebration of International Yoga Day at Pravara Rural Education Society's Arts, Commerce & Science College, Satral, was a resounding success. The event not only educated participants about the physical and mental health benefits of yoga but also fostered a sense of unity and well-being within the college community. The enthusiastic participation of students and staff underscored the growing recognition of yoga's value in modern life.

**REPORT ON SCREENING OF PADMAN MOVIE
BY WOMEN EMPOWERMENT CELL**

Date : December 31, 2019
Venue : Seminar Hall
Participants : 170

The Women Empowerment Cell of Pravara Rural Education Society's Arts, Commerce, and Science College organized a screening of the movie "Padman" with the aim to create awareness about health issues, particularly menstrual hygiene, and to motivate the audience, especially women, to adopt the use of sanitary pads and utilize vending and disposal machines. Additionally, the event sought to extend awareness by engaging ten girl students to spread the message in nearby schools. The event was conducted in collaboration with Dr. Kalpana Palghadmal and Dr. Sujata Lamkhade, esteemed members of the healthcare community. The screening commenced with an introduction by Dr. Kalpana Palghadmal the coordinator of the Women Empowerment Cell. The event saw an enthusiastic participation of students, faculty members, and local community members. The seminar hall was filled to capacity, reflecting the importance and relevance of the topic at hand.

The movie "Padman," directed by R. Balki and starring Akshay Kumar, was chosen for its powerful portrayal of real-life social entrepreneur Arunachalam Muruganatham, who revolutionized menstrual hygiene in rural India. The film effectively depicted the challenges faced by women due to lack of access to sanitary pads and the societal taboos surrounding menstruation. Through the protagonist's journey, the audience was sensitized to the importance of menstrual hygiene and the need for affordable sanitary solutions.

Panel Discussion:

Following the screening, a panel discussion was moderated by Dr. Kalpana Palghadmal and Dr. Sujata Lamkhade. The discussion delved into various aspects of menstrual health, including hygiene practices, myths, and taboos. The panelists

emphasized the significance of breaking the silence surrounding menstruation and promoting open dialogue to dispel misconceptions.

Awareness Campaign in Nearby Schools:

Ten girl students from the college were selected to conduct an awareness campaign in nearby schools. Under the guidance of Dr. Palghadmal and Dr. Lamkhade, these students interacted with students and teachers, sharing information about menstrual hygiene, the importance of using sanitary pads, and the availability of vending and disposal machines. This initiative aimed to reach a wider audience and initiate conversations about menstrual health in educational institutions.

The screening of "Padman" and the accompanying activities organized by the Women Empowerment Cell proved to be a significant step towards promoting menstrual hygiene and empowering women. The event not only raised awareness but also sparked conversations and encouraged positive action within the community. It underscored the college's commitment to addressing critical societal issues and fostering a culture of health and empowerment. The Women Empowerment Cell extends heartfelt gratitude to Dr. Kalpana Palghadmal and Dr. Sujata Lamkhade for their invaluable contribution to the event. Special thanks are also due to all participants, volunteers, and supporters who made the event a resounding success.

Moving forward, the Women Empowerment Cell aims to continue its efforts in promoting menstrual hygiene and women's health through various awareness campaigns, workshops, and community outreach programs.
