Training and placement cell An Activity Report

Name of Event	Competitive Exams and Career Opportunities in Government Sector
Organized by	Training Placement Cell and Department of Chemistry
Date	13/09/2022
Objectives	To guide students in exploring their interests, enhance competitive skills, and conduct aptitude tests focusing on verbal and quantitative abilities
Number of Student benefited	166
Name of Trainer	Mr. Vinayak Bhausahab Ghule, Director, V- Square Academy, Nanded (Alumni 2015-16)
Activity Coordinator	Mrs. Chhaya Karle

The Training and Placement Cell, in collaboration with the Department of Chemistry, organized an event titled "Competitive Exams and Career Opportunities in Government Sector" on September 13, 2022. The event aimed to guide students in exploring their interests, enhancing their competitive skills, and conducting aptitude tests focusing on verbal and quantitative abilities. Mr. Vinayak Ghule (an alumnus – 2015-16), led the session, providing practical guidance on exam preparation strategies and career growth. A total of 167 students benefited from this activity. Mrs. Chhaya Karle, the activity coordinator, ensured the event's smooth execution. Positive feedback from participants highlighted the value of Mr. Ghule's expertise and the event's success in equipping students with essential skills and knowledge for public sector careers.

“Competitive Examinations and the Career Opportunities after Graduation & Post Graduation”

Report of the Program

Career Counseling and Competitive Examination Guidance Cell held a one-day webinar called on Competitive Examinations and Career Opportunities after Graduation & Post-Graduation on October 9th, 2023 in the Seminar Hall. The main speakers were Miss Shivani Ranjan and Mr. Ankush Kumar from the Institute for Advanced Studies, Pune. Dr. R. D. Borse, Head of the Botany Department at ACS College, Satral, was the guest of honor. Dr. A. S. Waghmare, Chairman of the Career Counseling and Competitive Examination Guidance Cell, delivered the introductory speech, welcoming all participants and providing an overview of the program. In the morning session, Miss Shivani Ranjan discussed various aspects of competitive examinations, challenges faced by students, and the career opportunities these exams can open. She also provided insights into the current landscape of state and national-level competitive exams and detailed the various exams available for science students after graduation and post-graduation.

The afternoon session, introduced by Mr. Ghane, Head of the Department of Chemistry, focused on commerce students. Mr. Ankush Kumar explained the competitive examinations pertinent to the commerce field. A question-and-answer session followed, during which the speakers addressed students' queries. Vice-Principal Dr. D. N. Gholap presided over the program, encouraging students to participate in various competitive exams. He emphasized the college's and the Cell's ongoing support and motivation for students' career development. Miss Ankita from the Institute for Advanced Studies anchored the program. Mr. Adinath Darandale concluded the event with a vote of thanks. The webinar was attended by 83 science students and 66 commerce students, along with the teaching staff.

Assistant Professor,
IIT Ropar
Rupnagar, Punjab, India.

Subject: Invitation for expert lecture.

Dear Sir,

We hope this letter finds you well. It is with great pleasure that we extend an invitation to you to be the chief guest and speaker at our upcoming seminar, "How to Crack CSIR NET, SET, and GATE in Chemical Science" to be held on Friday, 28 April, 2023 at 11:00 AM in the Seminar Hall. Given your esteemed position and extensive expertise in the field of Chemical Science, we believe that your insights and guidance will be immensely beneficial to our students who are aspiring to excel in these competitive exams.

We are confident that your participation will inspire and motivate our students, providing them with the necessary tools and confidence to achieve their academic and professional goals. Please let us know at your earliest convenience if you are able to accept this invitation. We would be honored to host you and look forward to your positive response.

Thank you for considering our request.

Subject: Letter of Appreciation.

Dear Sir,

On behalf of ACS College Satral, I would like to extend our heartfelt appreciation for your invaluable contribution as the chief guest and speaker at our seminar "How to Crack CSIR NET, SET and GATE in Chemical Science" held on 28 April, 2023. Your insightful lecture provided our students with a comprehensive understanding of these critical competitive exams. The detailed overview of the purpose, structure and syllabus of CSIR NET, SET and GATE along with your strategic preparation tips, effective study techniques and valuable exam day advice were immensely beneficial. Your expertise and guidance have undoubtedly equipped our students with the tools they need to excel in their academic and professional pursuits.

We are deeply grateful for the time and effort you dedicated to making this seminar a memorable and enriching experience. Your participation significantly contributed to the overall success of the event and we look forward to the possibility of collaborating with you again in the future.

Thank you once again for your outstanding contribution.

Warm regards,

Brief Report

Name of Event	Alumni Expert Lecture on "How to Crack CSIR NET, SET and GATE in Chemical Science"
Date of Event	28 April 2023
Conducted by	Department of Chemistry
No. of Participants	19

On Friday, 28 April 2023 at 11:00 AM, Dr. Aslam C. Shaikh, an esteemed Assistant Professor from IIT Ropar, delivered an insightful lecture on "How to Crack CSIR NET, SET and GATE in Chemical Science." The lecture aimed to provide an in-depth understanding of these critical competitive exams and offer strategic guidance for effective preparation. The event took place in the seminar hall of ACS College Satral with Dr. Shaikh serving as the chief guest.

Dr. Vijay Kadnor introduced Dr. Shaikh highlighting his academic and professional background and emphasizing the significance of CSIR NET, SET and GATE for aspiring chemical scientists. Dr. Shaikh began his lecture by covering several key areas, starting with an overview of each exam's purpose, structure and syllabus. He delved into preparation strategies, stressing the importance of understanding the syllabus, creating a realistic study plan and employing effective study techniques such as active learning and problem-solving. Time management was another focal point, with tips on setting achievable study goals, balancing study with other commitments and handling stress to stay motivated throughout the preparation journey.

Dr. Shaikh also recommended essential resources including textbooks, online courses and practice papers, emphasizing the importance of regular mock tests. Additionally, he shared valuable exam day tips to help students manage their time effectively and approach different

types of questions strategically. The session concluded with an interactive Q&A segment, allowing attendees to seek personalized advice and insights from Dr. Shaikh.

In summary, the lecture was a comprehensive guide, offering practical advice and motivational insights to help students excel in their exams. Dr. Shaikh wrapped up with encouraging remarks, urging attendees to remain dedicated and confident in their preparation efforts. The event concluded with a vote of thanks given by Dr. D. N. Gholap, acknowledging Dr. Shaikh's contribution and the efforts of the organizers and participants.

To,

The Principal
Arts, Commerce and Science College, Satral,
Tal: Rahuri Dist: Ahmednagar

Subject: Permission to conduct an Expert Lecture on Application of Instrumental Techniques in Research.

Respected Sir,

The Training and Placement Cell, in collaboration with the Department of Chemistry, is planning to organize an expert lecture titled **Application of Instrumental Techniques in Research**. The lecture is scheduled on Friday, 23/09/2022 and will be delivered by Mr. Dnyaneshwar Pacharne, Head of Kinomera Biosciences, Badlapur, Mumbai. We kindly request your permission to proceed with organizing this lecture.

Thanking you.

Yours Sincerely,

(Mrs. C. S. Karle)

Permitted

Student Notice

All UG and PG students are hereby informed that a guest lecture on **Application of Instrumental Techniques in Research** will be organized on 23/09/2022, at 10:00 am. The event aims to provide valuable insights into the practical applications of instrumental techniques in research. We encourage all students to attend and benefit from this informative session. The lecture will take place in the Seminar Hall.

Subject: Invitation for Expert Lecture

Respected sir,

We are delighted to extend an invitation to you, to deliver an expert lecture on the topic **Application of Instrumental Techniques in Research**. This event is scheduled on 23/09/2022 and is organized by our Training and Placement Cell in collaboration with the Department of Chemistry. Your profound expertise and vast experience in the field of biosciences make you an ideal speaker for this event. We look forward to your positive response.

Thanking you.

Yours faithfully,

APPRECIATION LETTER

To,

Mr. Dnyaneshwar Pacharne,
Head, Kinomera Biosciences,
Badlapur, Mumbai.

We are writing to express our heartfelt appreciation for delivering an expert lecture on the **Application of Instrumental Techniques in Research** on 23/09/2022. The event, organized by our Training and Placement Cell and the Department of Chemistry, was an invaluable opportunity for our students and faculty to gain deeper insights into the field of biosciences. Your profound expertise and extensive experience made you an exemplary speaker for this event. Your willingness to share your knowledge significantly enriched the academic and research aspirations of our institution.

Thanking you,

Yours faithfully,

Principal

Training and Placement Cell
Application of Instrumental Technique in Research

Name of Event	Application of Instrumental Techniques in Research
Organized by	Training Placement Cell and Department of Chemistry.
Date	23/09/2022
Objectives	Develop knowledge about instruments related to pharma industries.
Number of Student benefited	71
Name of Trainer	Mr. Dnyaneshwar Pacharne Head, Kinomera Biosciences, Badlapur, Mumbai. (Alumni of Pravara 1999-2000)
Activity Coordinator	Mrs. Chhaya Karle

The Training and Placement Cell, in collaboration with the Department of Chemistry, organized an event titled **Application of Instrumental Technique in Research** on 23/09/2022. The primary objective of this event was to enhance students' understanding of instrumental techniques relevant to the pharmaceutical industries. The session was conducted by Mr. Dnyaneshwar Pacharne, Head of Kinomera Biosciences, Badlapur, Mumbai. The speaker provided invaluable insights into the practical applications of instrumental techniques in research. His presentation was well-received by the 71 students who attended, as evidenced by their active participation and positive feedback. Mrs. Chhaya Karle the activity coordinator, played a pivotal role in organizing and ensuring the smooth execution of the event.

Subject: Permission to organise a Guest Lecture on Research Opportunities in Abroad.

Respected sir,

The Training and Placement Cell is planning to organise a guest lecture by Dr. Aslam Shaikh, Assistant Professor in Chemistry at the Indian Institute of Technology, Ropar, Punjab University. The lecture, titled **Research Opportunities in Abroad** is scheduled on 28/04/2023 and is intended for both undergraduate and postgraduate students. We kindly request your permission to organize this guest lecture.

Thanking you.

Yours Sincerely

(Mrs. C. S. Karle)

LETTER OF APPRECIATION

To,

Dr. Aslam C. Shaikh,
Assistant Professor in Chemistry,
Indian Institute of Technology, Ropar,
Punjab University, India.

Dear Sir,

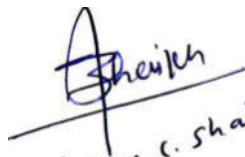

We express our sincere gratitude for delivering the lecture on **Research Opportunities in Abroad** for our students. Thank you for the informative and motivational lecture held on 28/04/2023. Your splendid presentation greatly benefited our young researchers and students, who appreciated and gained valuable insights from your views on the subject.

We look forward to your continued cooperation in promoting student activities in the future as well.

Thanking You.

Report on Research Opportunities in Abroad

Name of Event	Research Opportunities in Abroad
Organized by	Training and Placement Cell
Date	28/04/2023
Objectives	To provide research knowledge and opportunities in abroad.
Total Students Participated	108
Name of Trainer	Dr. Aslam C. Shaikh Assistant Professor, IIT, Punjab University, Roper. (Alumni 2009-10)
Activity Coordinator	Mrs. Chhaya Karle

The Training and Placement Cell organized a guest lecture titled **Research Opportunities in Abroad** on 28/04/2023. The primary objective of this event was to provide students with knowledge about research opportunities available abroad and to motivate them to pursue research careers in international settings. The session was conducted by Dr. Aslam C. Shaikh, an esteemed Assistant Professor at IIT, Punjab University, Roper, and an alumnus from the 2009-10 batch. His extensive experience and expertise in the field provided valuable insights to the attendees. His presentation was both informative and motivational, helping students understand the various pathways and opportunities for conducting research in foreign institutions.

Subject: Permission to Organize Industrial Visit and Workshop

Respected Sir,

The Training and Placement Cell and the Department of Chemistry from Arts, Commerce and Science Collge, Satral, Tal. Rahuri, Dist. Ahmednagar, are eager to organize an industrial visit and workshop at SHODH Advantech Pvt. Ltd., MIDC Chikhalthana, Aurangabad, Maharashtra. This event is intended for our MSc students and is scheduled for 15th February 2023. The purpose of this visit is to provide our students with practical exposure to industry practices and advanced technological processes. We believe this experience will greatly enhance their academic knowledge and professional skills.

We kindly request your permission and support to facilitate this educational visit.

Thanking you.

Yours Faithfully,

Danraj

Subject: - About Industrial Visit, MOU and Industrial training for PG students.

Dear Sir/mam,

With reference to above mentioned subject as per telephonic communication with you on behalf of Arts, Commerce, and Science College Satral, the Training Placement Cell, and the Department of Chemistry would like to arrange an industrial visit for PG students, and we would like to sign a memorandum of understanding with you. PG students at our college are interested in industrial training.

Please provide a date that is convenient for you between February 15 and February 17, 2023. We request that you let us know your convenient date for the industrial visit.

Thanking you,
Regards

Department of Chemistry
Report on Industrial Visit and One Day Workshop

Name of Institute	SHODH Advantech LLP, Aurangabad, INDIA
Date of MoU	15/02/2023
Name of Event	Industrial Visit and One Day Workshop
Organized by	Training and Placement Cell and Department of Chemistry
Date	15/02/2023
Objectives	1. Increase knowledge about instrument. 2. Reducing the gap between theoretical and practical learning.
Number of Student benefited	40 Students + 04 Teachers
Name of Trainer	1.Mrs. Rajni Mudkavi 2.Mr. Maitreya Mudkavi
Coordinator	Mrs. Chhaya Karle

The Department of Chemistry, in collaboration with the Training and Placement Cell, organized an Industrial Visit and One Day Workshop at SHODH Advantech LLP, Aurangabad, India, on 15/02/2023. The primary objective of this event was to enhance students' knowledge about instruments and bridge the gap between theoretical learning and practical application. The workshop was attended by 40 students and 4 teachers from Arts, Commerce, and Science College Satral. Mrs. Rajni Mudkavi and Mr. Maitreya Mudkavi served as trainers, providing insightful guidance and hands-on training during the visit. Their expertise enriched the learning experience, focusing on the practical aspects of instrument use in industry.

Hi Mam,

As discussed below is what we discussed and need details from your side

- * Date of training - 14-March-2023 to 17-March-2023
- * Time - 09:30 AM to 04:30 PM
- * Accommodation - Yes
- * Food - Yes
- * Local Transportation - Yes

- Since Training on Interview skills (Communication and Employability skills) is the session for 24 hours, **it can be divided into 4 days for 6 hours.**
- We will require a college to provide **Trainers accommodation as a guest room or hotel including breakfast, lunch, and dinner**
- We will require **seminar hall or training rooms accommodating 67 students per trainer**
- We need the **exact confirmation dates** from you for the training as soon as possible
- Need an acknowledgment on Training time as 09:30 AM to 04:30 PM (**6 Hours Training 4 Days**)
- We need a **list of the total number of students (Full name, contact number, email address, branch or stream and Aadhar no) attending training with registration on the below link** as online registration so that we know the number of students will be attending the training.
- Basis the total number of students registered for the training, we will decide on sending the total number of trainers. **1:67 is the ratio**
- Name and contact of the concerned person coordinating the training and placement of the students.

Note : If the students count is less then college have to take care regarding traveling cost and trainers cost (Accommodation, traveling, commercial).

Report on Online Orientation Program Need of Industrial Training in Pharma Sector

Name of Institute	SHODH Advantech LLP Aurangabad, INDIA
Date of MoU	13/03/2023
Name of Event	Online Orientation Program Need of Industrial Training in Pharma Sector
Organized by	Training Placement Cell and Department of Chemistry
Date	13/03/2023
Objectives	1. Create awareness about industrial training. 2. Give knowledge to students about Opportunities after industrial training.
Number of Student benefited	61
Name of Trainer	Mr. Maitreya Mudkavi
Activity Coordinator	Mrs. Karle Chhaya Sharadchandra

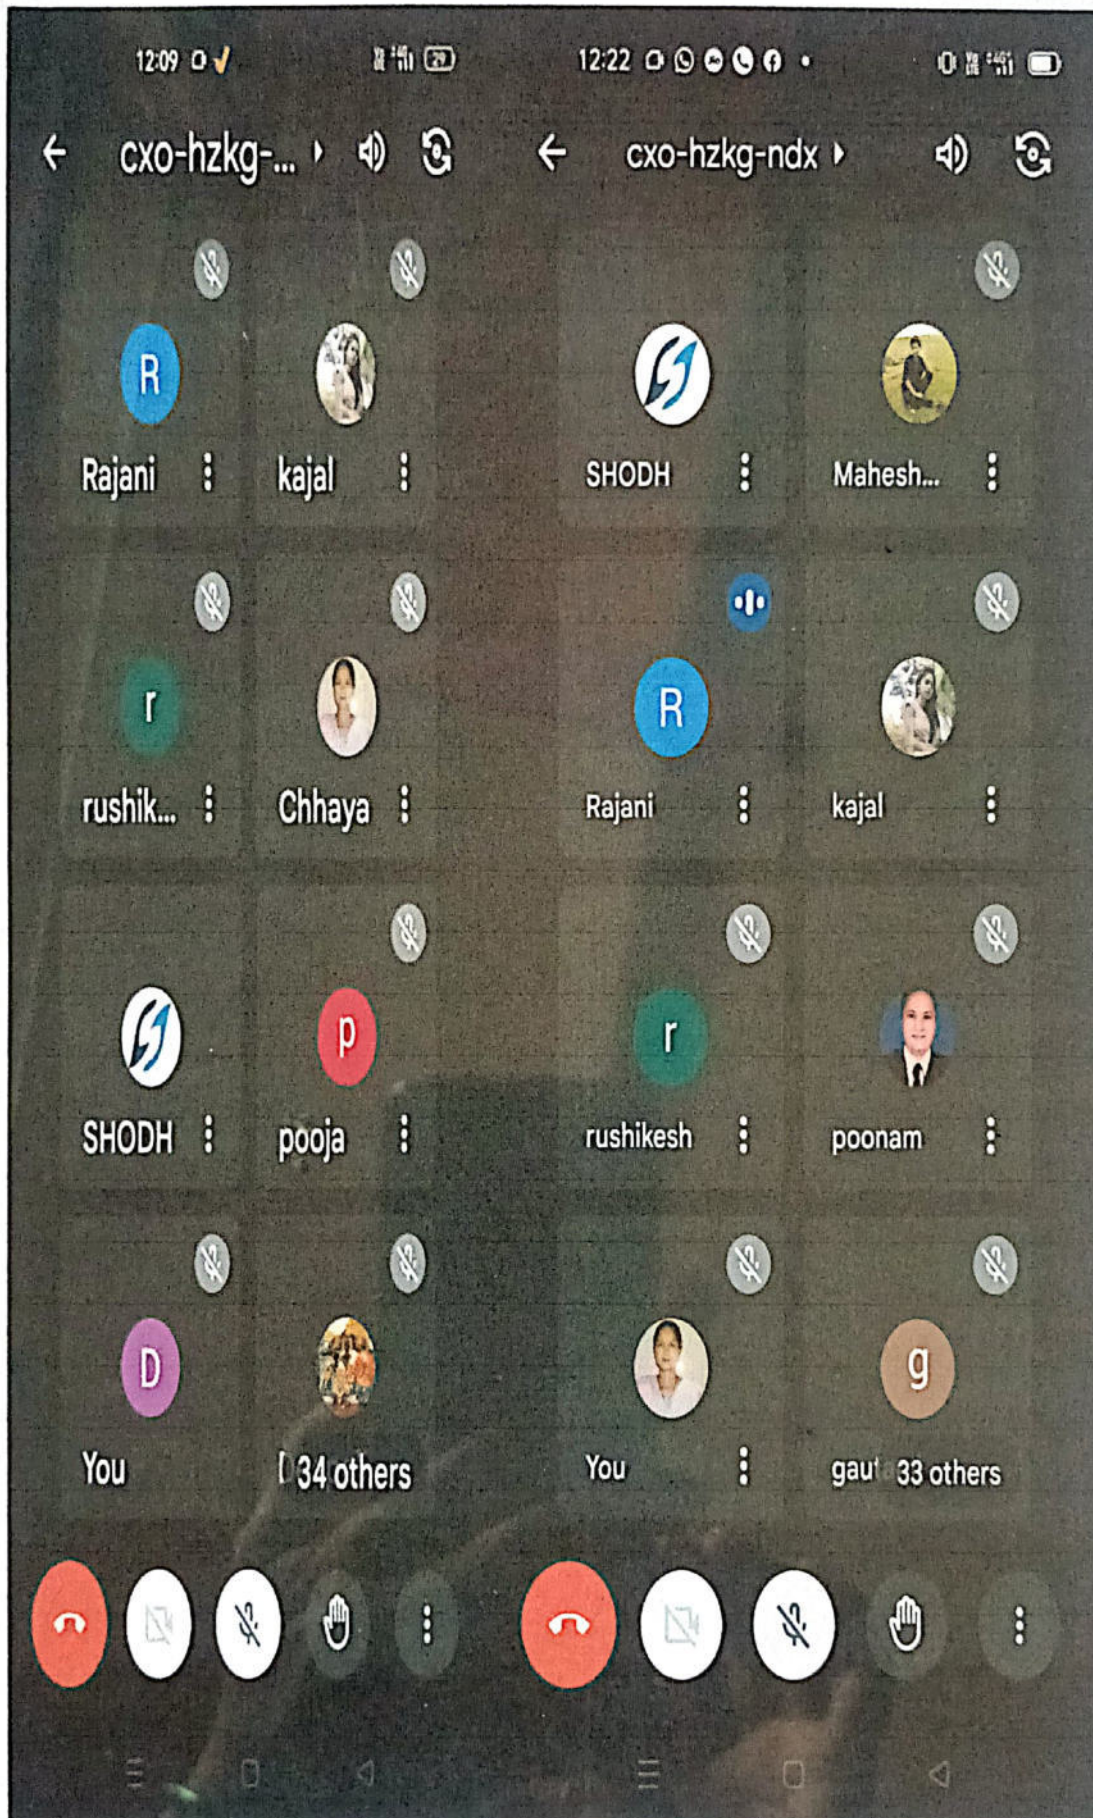

The Training and Placement Cell, in collaboration with the Department of Chemistry, organized an Online Orientation Program titled "Need of Industrial Training in Pharma Sector" on March 13, 2023. The primary objectives of this program were to create awareness about the importance of industrial training and to educate students about the opportunities available after completing such training. The program was conducted by Mr. Maitreya Mudkavi, who provided valuable insights into the significance of industrial training in the pharmaceutical sector. His expertise helped 61 students understand the practical aspects and career prospects associated with industrial training.

Competitive Examination Cell
Permission Letter

Date: 15/11/2021

To,
The Principal,
ACS College, Satral.

Subject: Permission to organize a Guest Lecture Series.

Respected Sir,

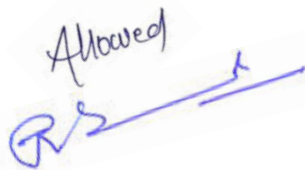

The Competitive Examination Cell is planning to organize a guest lecture series for the students during 01/12/2021 to 05/12/2021. The purpose of this lecture series is to create awareness about competitive examinations among the students and provide guidance to them. You are kindly requested to permit us to organize the above said lecture series.

Thanking you,

Yours Sincerely,

Dr. G. K. waditke

HONEYBEE REARING TRAINING REPORT (2ND TO 4TH MARCH-2022)

The Department of Zoology in S.Y.B.Sc students participated three days training program organized by kolhar bhagavtipur Grampanchayet kolhar. In this programme, the chief guest **prof. Hemantkumar Tukaram Dubare, krushi kitakshashre.(Under Central Honeybee Anusandhan & Training Institute Pune)**. had guided the students and panchikrushi farmers about the honey bee diversity & its importance.

On the first day involved theoretical lesson on the external characters, species of honey bee, bee hive, caste of honeybee, life cycle of honeybee communication of bees, colony of bees, He had briefly discussed the honeybees how to live in different habitat. After successful living honeybees in all the habitat they can different feeding habitat, locomotion, digestion, reproduction, excretion etc. depends upon the honeybee species. He also guided about important species of honeybees, different species of honeybees live in climate, available of food & breeding purpose. these were key points in the theory lesson on the first day of the training.

In the next day of the training was full of practical work. Participants did practical work on bee hive construction, mounting and honey harvesting he had given a seen power point presentation, demonstration in the field, she had discussed on the students of various importance of bees and its different by products. Then he discussed about maintenance, feeding and various environmental parameters important for production of good quality bee by product in apiculture units. After the honeybee rearing training. She told that students can start this on large scale and can start on small scale at home apiculture unit.

He briefly discussed about pollination purpose, nutritional contents, benefits and marketing of apiculture byproduct can be used in medicinal and auarvedic purposes. In this programme, 57 students and staff members had actively participated and learnt about apiculture as most of the students are from farmers family, this programme will be fruitful for the participants.

Career Counseling Cell Organized

A Guest lecture on – Opportunities in Botany

Career Counseling for Under Graduate Student

Report of the Program

Under the Career Counseling Cell of the College of Arts, Commerce and Sciences, Satral, various types of programs are organized in the college for the overall development of the students. In these programs students are informed about their career along with academic activities. In accordance with this, a career guidance lecture was organized for the students about the topic ‘Opportunity in Botany’ in the college through the Department of Botany. This lecture was held on 28th January 2022 at 10.30 am. For this lecture, former student of our college Mr. Shubham Lambe was invited. Mr. Shubham Lambe is currently working as a Project Assistant in Savitribai Phule Pune University, Regional cum Felicitation Center WRO-NMPB. In the said lecture, he explained to the students the complete information about different opportunities and research in the subject of plant science. Instilled confidence in students so that students can stand on their own feet, as students of our college are from rural farming families, in the present scenario, he gave complete information on how to produce different types of products with own agro-based industries in his lecture. As Ayurveda is of great importance in the present era, he also gave very good guidance on how different types of Ayurvedic medicines and cosmetics are manufactured from different types of plants and their importance, as well as how medicinal plants are commercially produced. From such lectures, students get a kind of energy and are encouraged to set up their own businesses for the overall development of the students. Total 60 students are participated in this program. Dr. R.D. Borse Welcome and introduce today’s guest and Dr. D.N. Gholap give vote of thanks and conclude the program.

Brief Report

Name and Type of Event	Alumni Expert Lecture on "Research opportunities in Chemistry"
Date of Event	26 February 2022
Conducted by	Department of Chemistry
No. Of Participant	17

On 26 February 2022, department of Chemistry, ACS College, Satral hosted an insightful alumni talk featuring Dr. Navnath Bhausahab Shinde, a distinguished alumnus from the B.Sc. batch of 2003-04. Dr. Shinde, currently a Research Scientist and R&D Manager at Piramal Healthcare Ltd. in Mumbai shared his expertise and experiences in the field of Chemistry. The talk held in the Seminar Hall.

Dr. Shinde's presentation focused on the various research opportunities available in the field of Chemistry. He discussed the current trends and advancement in chemical research, highlighting the significant role of research and development in healthcare. Dr. Shinde also provided valuable insights into career paths in chemistry, offering practical advice on how to pursue a successful career in research. He emphasized the importance of innovation, continuous learning and staying updated with the latest scientific developments.

The session concluded with an interactive Q&A segment, where Dr. Shinde addressed queries from the attendees, further enriching their understanding of the subject. The event was highly appreciated by all participants and served as a source of inspiration for aspiring chemists. The alumni talk by Dr. Navnath Bhausahab Shinde was a resounding success, offering a wealth of knowledge and inspiration to the students and faculty of the college. Dr. Shinde's expertise and accomplishments in the field of Chemistry research left a lasting impression, motivating attendees to explore and excel in their academic and professional endeavors.

Report on Awareness of Industrial Instrumental Techniques

Name of Event	Awareness of Industrial Instrumental Techniques
Organized by	Training Placement Cell and Department of Chemistry
Date	09/08/2021
Objectives	To create awareness about instruments used in pharma industries
Number of Student benefited	65
Name of Trainer	Mr. Ranjeet Kolekar Junior Manager, QC Laxmi Organic Industry Ltd. Mahad, Raigad.
Activity Coordinator	Mrs. Karle Chhaya Sharadchandra

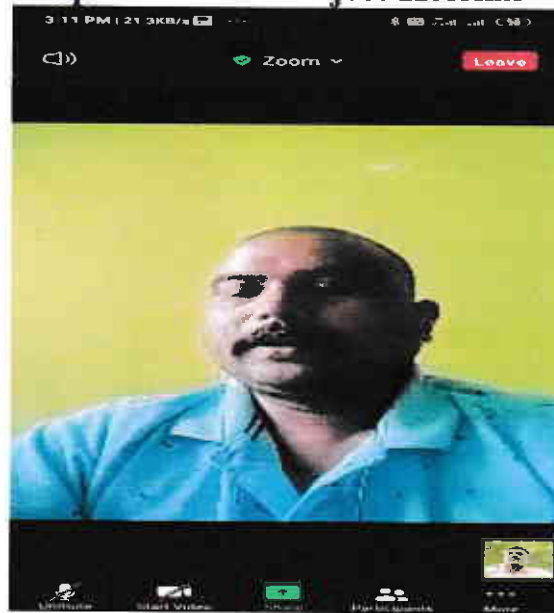

The Training and Placement Cell, in collaboration with the Department of Chemistry, organized a webinar titled "Awareness of Industrial Instrumental Techniques" on August 9, 2021. The event aimed to educate students about pharmaceutical industry instruments and featured Mr. Ranjeet Kolekar from Laxmi Organic Industry Ltd. as the trainer. Sixty-five students attended, gaining valuable insights into the practical applications and importance of these techniques. Mr. Kolekar's interactive presentation covered instrument functionality, maintenance, and significance. The event's success was due to the coordination by Mrs. Karle Chhaya Sharadchandra. The webinar was well-received, highlighting its effectiveness in enhancing students' practical knowledge and employability skills.

Pre-Training program for Talathi/Army/Police exams

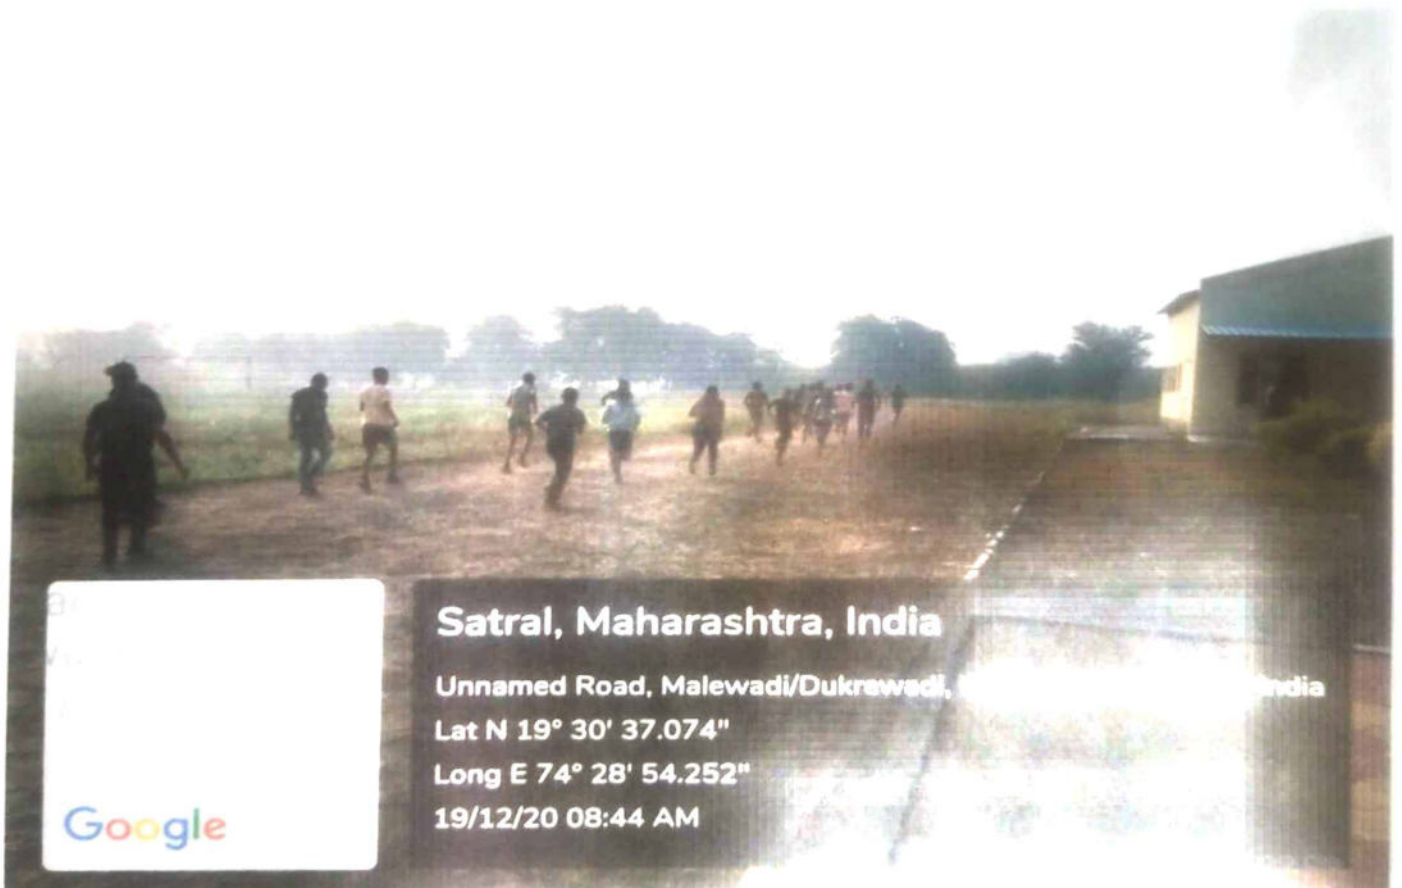

Name of Event	Pre-Training Program for Talathi/Police/Army Exams
Organized by	Pravara Competitive Exam Center and the Department of Physical Education
Date	15/10/2020 to 15/01/2021
Objectives	To equip candidates with the knowledge, skills, and motivation needed to excel in the competitive selection processes.
Number of Student benefited	54
Name of Speakers	1. Kishor Dukre 2. Babasaheb Dongre 3. Shailesh Kawde
Coordinator	Dr. G. K. Waditke

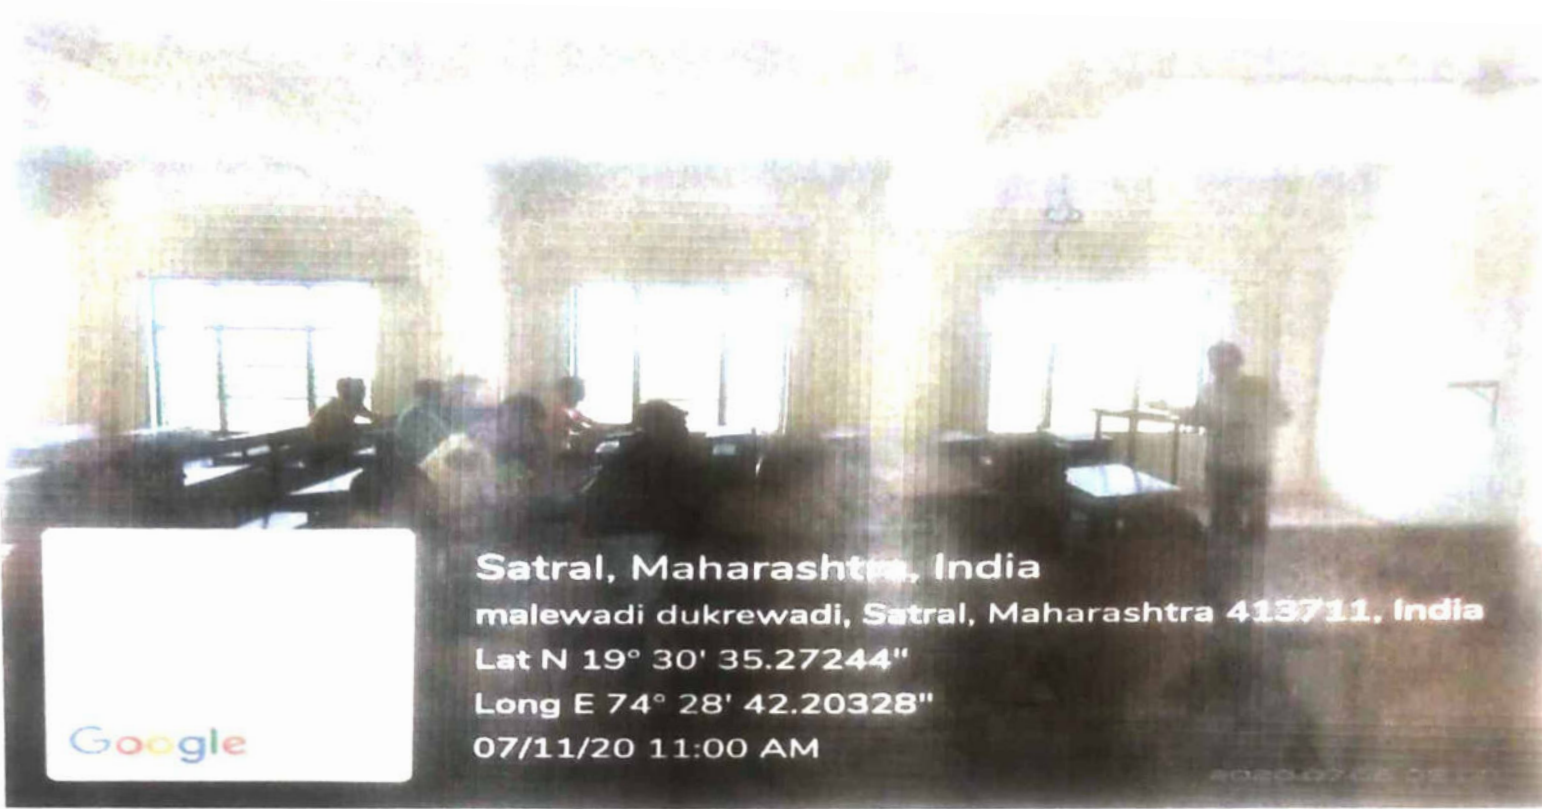

Pravara Competitive Exam Center and the Department of Physical Education organized a Pre-Training Program for Talathi/Police/Army Exams from 15/10/2020 to 15/01/2021. The program saw participation from 54 students. The college offered excellent facilities, including a spacious ground, a modern library and a well-equipped gym. These resources were instrumental in helping rural students excel in their competitive exams. The training was comprehensive, focusing on both intellectual and physical preparation. Expert sports coaches guided the students, ensuring they were well-prepared in all aspects required for their exams. Regular written tests and outdoor practice sessions were conducted to evaluate and improve the students' performance. This structured approach ensured that each student was assessed thoroughly and given the necessary support to succeed in their respective exams. This initiative significantly contributed to the success of many students, enabling them to achieve their career aspirations in the Police, Army, and Talathi positions.

Brief Report

Name of Event	Alumni Expert Lecture on "Opportunities in the QA Department of Pharmaceutical Industries"
Date of Event	4 th January, 2019
Conducted by	Department of Chemistry
No. of Participants	15

The Alumni Guest Lecture on "Opportunities in the QA Department of Pharmaceutical Industries" was held on January 4, 2019, at 11:00 AM in the Seminar Hall of ACS College, Satral. The guest speaker for the event was Mr. Sunil Ashok Tajane, a QA Assistant at Glenmark Pharmaceutical Industry, Pune and an alumnus of ACS College, Satral from the M. Sc. Analytical Chemistry batch of 2017-18. With the attendance of 15 students, the lecture aimed to enlighten students about job prospects within the QA Department of Pharmaceutical Industries. Mr. Tajane shared his insights into the significance of QA in Pharmaceutical operations, discussing various roles, responsibilities, and career paths available in this domain.

The interactive session that followed allowed students to engage with Mr. Tajane, gaining practical advice and a deeper understanding of QA roles. Attendees found the lecture informative and inspiring, appreciating the opportunity to learn from an industry professional.

Mr. D. S. Aute (Alumni Coordinator) extend their gratitude to Mr. Tajane for his valuable contributions and to the students for their active participation, making the event a great success.
