7. TEACHERS USE OF ICT- ENABLED TOOLS

7.1 Introduction

ICT tools such as Zoom, Google Classroom, Google Meet, Power Point and audio/video lectures play a crucial role in modern education by enhancing accessibility, engagement, collaboration, and personalized learning. These tools not only facilitate the effective delivery of knowledge but also enrich the overall learning experience, preparing students for academic and professional success in a technologically driven world. By integrating these technologies into the classroom, educators can create a more dynamic, inclusive and effective learning environment.

Coordinator	Dr. G. K. Waditke

Pravara Competitive Exam Center and the Department of Physical Education organized a Pre-Training Program for Talathi/Police/Army Exams from 15/10/2020 to 15/01/2021. The program saw participation from 54 students. The college offered excellent facilities, including a spacious ground, a modern library and a well-equipped gym. These resources were instrumental in helping rural students excel in their competitive exams. The training was comprehensive, focusing on both intellectual and physical preparation. Expert sports coaches guided the students, ensuring they were well-prepared in all aspects required for their exams. Regular written tests and outdoor practice sessions were conducted to evaluate and improve the students' performance. This structured approach ensured that each student was assessed thoroughly and given the necessary support to succeed in their respective exams. This initiative significantly contributed to the success of many students, enabling them to achieve their career aspirations in the Police, Army, and Talathi positions.
