It offers variety of programs – 9 UG, 03 PG, 01 Ph.D. and 26 Certificate Courses.

A gender audit evaluates an organization's policies, programs, services, structures and budgets to ensure gender equity. It examines the impact of public policies on both men and women, ensuring balanced gender representation and compliance with government initiatives for women's advancement. The primary goal is to promote changes in public policy that enhance gender equity. Conducting a gender audit is essential to determine an institution's commitment to improving women's status and representation.

Another rationale for conducting a gender audit is that it enables institutions to implement women's awareness programs on rights, claims and access to resources and opportunities. A gender audit empowers institutions to address aspects of organizational culture that may discriminate against women staff and beneficiaries. The audit helps monitor progress in mainstreaming gender, builds capacity within the organization to promote gender equity and encourages everyone to take ownership of gender equity initiatives. It also provides valuable insights for improving gender-related practices. The Women Empowerment Cell conducted a gender audit on 26th May 2023, forming a committee with both internal and external members.

1.5. Gender Sensitive Features:

Gender sensitivity involves approaching people without assumptions, aiming to challenge and expand traditional gender expectations and behaviours. 4. Conclusion

Observation

The institute is dedicated to addressing gender imbalances by ensuring equal treatment for female staff and students. It promotes gender sensitization and encourages women to live with dignity and self-respect. Despite fewer female students, women are actively engaged in academic and administrative roles and show higher success rates compared to men. They also participate enthusiastically in various activities, including cultural and sports events. The representation of female faculty is growing. The institution integrates gender equity goals into its policies, and communication with staff and students indicates a supportive environment free of gender discrimination.

6 Recommendations:

- ✓ The institute should conduct more co-curricular and extracurricular activities for students and staff, including both males and females.
- ✓ The institute should increase the number of female non-teaching staff.
- ✓ Self-defense activities should be conducted for girl students.
- ✓ The institute should take efforts to increase the enrollment of girls in the future.
- ✓ Organize awareness programs on the legal rights of women.
- ✓ Introduce self-employment training and personality development programs for girls.

Birth Anniversary Kranti Jyoti Savitribai Phule Report – 2022-23

Name of the Program	Birth Anniversary Kranti Jyoti Savitribai Phule
Date	03/01/2023
Name of Guest	Mrs. Mandatai Patil
Name of Coordinator	Mrs. L. H. Pandure
No. of Participants	56

On January 3, 2023, the birth anniversary of Kranti Jyoti Savitribai Phule was celebrated at the Arts, Commerce and Science College, Satral with 56 students in attendance. The chief guest, Mrs. Mandatai Patil, shared insights into Savitribai Phule's life struggles and achievements. Savitribai Phule, a social reformer born on 3rd January, 1831 played a crucial role in women's education during the 19th century, a time when women were primarily confined to domestic roles.

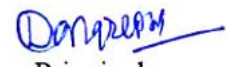

She became the first female teacher in India and started the first school for girls in 1848 at *Bhide Wada* in Pune. Besides her contributions to education, Savitribai Phule was a strong advocate for women's rights and empowerment, opposing social evils like child marriage and dowry. Both she and her husband, Jyotirao Phule, worked tirelessly against caste discrimination. In her presidential address, Principal Mrs. Jayshree Singer encouraged students to draw inspiration from Mrs. Mandatai Patil lecture on Savitribai Phule's dedication to education and women's empowerment in India. The program concluded with a vote of thanks from Mrs. A.C. Salunke.

**REPORT ON SCREENING OF PADMAN MOVIE
BY WOMEN EMPOWERMENT CELL**

Date : December 31, 2019
Venue : Seminar Hall
Participants : 170

The Women Empowerment Cell of Pravara Rural Education Society's Arts, Commerce and Science College organized a screening of the movie "Padman" with the aim to create awareness about health issues, particularly menstrual hygiene, and to motivate the audience, especially women, to adopt the use of sanitary pads and utilize vending and disposal machines. Additionally, the event sought to extend awareness by engaging ten girl students to spread the message in nearby schools. The event was conducted in collaboration with Dr. KalpanaPalghadmal and Dr. SujataLamkhade, esteemed members of the healthcare community. The screening commenced with an introduction by Dr. KalpanaPalghadmal the coordinator of the Women Empowerment Cell. The event saw an enthusiastic participation of students, faculty members, and local community members. The seminar hall was filled to capacity, reflecting the importance and relevance of the topic at hand.

The movie "Padman," directed by R. Balki and starring Akshay Kumar, was chosen for its powerful portrayal of real-life social entrepreneur ArunachalamMuruganatham, who revolutionized menstrual hygiene in rural India. The film effectively depicted the challenges faced by women due to lack of access to sanitary pads and the societal taboos surrounding menstruation. Through the protagonist's journey, the audience was sensitized to the importance of menstrual hygiene and the need for affordable sanitary solutions.

Panel Discussion:

Following the screening, a panel discussion was moderated by Dr. KalpanaPalghadmal and Dr. SujataLamkhade. The discussion delved into various aspects of menstrual health, including hygiene practices, myths, and taboos. The panelists emphasized the significance of

breaking the silence surrounding menstruation and promoting open dialogue to dispel misconceptions.

Awareness Campaign in Nearby Schools:

Ten girl students from the college were selected to conduct an awareness campaign in nearby schools. Under the guidance of Dr. Palghadmal and Dr. Lamkhade, these students interacted with students and teachers, sharing information about menstrual hygiene, the importance of using sanitary pads, and the availability of vending and disposal machines. This initiative aimed to reach a wider audience and initiate conversations about menstrual health in educational institutions.

The screening of "Padman" and the accompanying activities organized by the Women Empowerment Cell proved to be a significant step towards promoting menstrual hygiene and empowering women. The event not only raised awareness but also sparked conversations and encouraged positive action within the community. It underscored the college's commitment to addressing critical societal issues and fostering a culture of health and empowerment. The Women Empowerment Cell extends heartfelt gratitude to Dr. KalpanaPalghadmal and Dr. SujataLamkhade for their invaluable contribution to the event. Special thanks are also due to all participants, volunteers, and supporters who made the event a resounding success.

Moving forward, the Women Empowerment Cell aims to continue its efforts in promoting menstrual hygiene and women's health through various awareness campaigns, workshops, and community outreach programs.

Birth Anniversary of KrantiJyotiSavitribaiPhule Report – 2019-20

A Program Report

Name of the Program	Birth Anniversary of KrantiJyotiSavitribaiPhule
Date	03/01/2020
Name of Guest	Mrs. MandataiChavan
Name of Coordinator	Dr. KalpanaPalghadmal
No. of Participants	57

On January 3, 2020, KrantijyotiSavitribaiPhule's birth anniversary was celebrated at College of Arts, Commerce and Science, Satral. 57 students of the college were present. The Chief Guest for this program, MandataiChavan, informed the students about the struggle in Savitribai's life. SavitribaiPhule was a social reformer. In the 19th century, when Indian women were in dire straits, women in the society were only provided with hearth and children. During such times, SavitribaiPhule played a very important role in providing education to women. She was born on 3rd January 1831. Hence, her birth anniversary on 3rd January is celebrated with great joy by the women of India.

Savitribai became the first woman teacher in India. She started the first school for girls in 1848 at Bhide Wada in Pune. Apart from her work in education, Savitribai played an important role in getting rights for women. She was a staunch advocate of women empowerment. She played an important role against the social evils of child marriage and dowry. Both Savitribai and JyotiraoPhule played an important role against caste discrimination in the society. Mrs. JayshreeSingar in her presidential address said that students should take motivation by lecture delivered by MandataiChavan on SavitribaiPhule's work, devotion for education and empowerment of women in India. At the end of program, Ms. A.C. Salunke expressed vote of thanks.
